¹ The old *Newsletter* published from time to time, even regularly, a list of members. This important function was neglected under my editorship, and the first volume of *Cahiers* did nothing to rectify the anomaly. Here, with the help of our Membership Secretary Dr Marie-Marthe Gervais-le Garff, is a list of members. I have no doubt introduced errors, and I apologise to any whose names and institutions have been mistreated: the fault is mine alone.
